

SILENT  
YACHTS

FACT SHEET  
**SILENT 55**

The **SILENT 55** is an oceangoing catamaran that meets the highest ship building standards, respects the environment and makes no compromises regarding luxury cruising at the same time. This yacht is powered by solar energy. In the standard configuration the two electric 30 kW motors achieve a maximum speed of 12 knots.

With a **SILENT-YACHT** it is possible to cross the oceans with pure and clean solar energy, without giving up any comfort from a conventionally powered yacht.

Imagine silent cruising every day with an inspiring sunrise as well as a breathtaking sunset! Relax at the most and natural places on our planet.

**Benefit from these SILENT advantages: 100% Solar Powered**

- Unlimited Cruising Range
- Lifetime Maintenance-free Motors
- Noiseless and Fume-less Luxury Navigation – Full electric Galley – no Propane, no Gas
- Highest Quality Materials & Craftmanship
