

M/Y ELENA

WHEN CLASSIC MEETS LUXURY

About M/Y Elena

M/Y Elena was launched in 1992 and was one of the first yachts to enter the Greek charter market. She was built in Perama Shipyard in Greece. She has a steel hull which offers steady cruising and her entire interior is constructed from oak and mahogany wood

◆ ————— ◆

M/Y Elena is a classic displacement yacht featuring ample deck space and a lavish interior. M/Y Elena has a warm feel to her and all her guests feel at home when on board. In 2008 her stern was extended and a new swim platform was added for easy access to the sea.

In 2016 a second sun deck was installed. In 2023 she had an extensive refit as per below.
