"It is good to have an end to journey toward; but it is the journey that matters, in the end."

The whole crew of CORSARIO have made this journey one that will stay with us for a lifetime.

Pirate surprises, Dario's "shots", smoke machines, dancing on the deck and going overboard on the captain's orders... watching the moon rise on the horizon. The best memories. All our thanks from Scotland.

CORSAAARIO! Shots! Shots! Shots!

Wow - what an amazing experience. Thank you for the most incredible week! Until next time!

FOOD

Gastronomy experience

Our chefs, Luka & Maja, are specialized in local Croatian & Mediterranean cuisine, however they can adapt to any guests' wishes. Chef Luka has years of international experience working as a head chef in high-end hotels and fine dining restaurants and has been our chef for three years. He believes Croatian cuisine has a lot to offer and always tries to get the best and freshest ingredients from local suppliers. With Luka you will try the best dishes Croatia has to offer. Don't be surprised if captain catches fish, octopus or calamari and Luka cooks it for you on the same day. It can't get better than that!

Sous chef Maja is his "right hand". She has years of experience working as a sous chef in local restaurants and on other yachts. She is member of Corsario crew since it was being built.
